

# BOY SCOUT TROOP 995

## Merit Badge Counselor, Adult Leader

### Overview

The merit badge program, part of the Advancement Program of the Boy Scouts of America, provides opportunities for youth to explore more than 120 fields of skill and knowledge. Through participation in the program, which may begin immediately upon registration in a troop or team, a Scout acquires the kind of self-confidence that comes only from learning and mastering a skill. Instruction is offered in everything from animal science and public speaking to swimming and communications, providing a young man with invaluable career, physical, and interpersonal skills.

This program cannot succeed without the service of unit and district volunteers who serve as Merit Badge Counselors. A counselor must not only possess the necessary technical knowledge but also have a solid understanding of the needs, interests, and abilities of Scouts.

In order to be certified as a Merit Badge Counselor in the Twin Arrows District of the Indian Nation Council for a particular merit badge, one must be qualified by job, profession, business, hobby or special training in that subject. All Merit Badge Counselors must also have an understanding of their role in Scout advancement.

### What's The Job of a Merit Badge Counselor?

The primary responsibility of the Merit Badge Counselor is to certify that each Scout taking the merit badge meets all the requirements for the particular merit badge. However, the larger job is as a coach who helps the Scout over the different hurdles of the requirements and makes him aware of the deeper aspects of the subject from the Merit Badge Counselor's knowledge and experience.

There are really three simple rules to remember as a Merit Badge Counselor:

- Scouts must be tested individually but must always have a "buddy" present
- Scouts must meet all of the requirements
- No one has authority to change any of the requirements

## To register As a Merit Badge Counselor

The Boy Scouts of America requires all merit badge counselors to register with their local council by submitting an Adult Application Form and the Merit Badge Counselor Information Form. There is no fee to register as a merit badge counselor.

Please fill out the Adult Application completely and truthfully. At the top, do not fill in the Unit Scouters box. Put "Merit Badge Counselor" in the Council/District/Division Scouters box labeled *position* and put "Twin Arrows" in *District name*. At the bottom of the blue section, put "Boy Scouts" under *Program*, "42" under *Position code*, and "Merit Badge Counselor" under *Position (Description)*.

On the Merit Badge Counselor Information form, fill out the top section completely. Then list the merit badge(s) you wish to counsel. You should include a short statement of your qualifications for each badge on the back of the form. At the bottom of the form, indicate whether you want to work with only your unit(s) listing the unit number, or if you are willing to have your name put on a District Merit Badge Counselor list to counsel other scouts in the District. If there are specific badges for each category, please indicate all units or specific unit in the margin next to each badge. If you are a counselor for more than seven badges, please fill out a second (third, etc.) sheet. Please include an email address on the Information form.

Merit Badge Counselors should give both of these completed forms to our Committee Chairman to begin processing. Acknowledgement of approval will be mailed to the counselor.

## So why do you have to fill to fill out a new and separate application?

Merit Badge Counselors, even those working only within their unit, are on the District Charter (registration), not the unit charter. And as with the unit, they must also renew their registration yearly with the District. Our District records are being revitalized and renewed. Therefore, we are asking your help in bringing our rosters up-to-date. Thank you in advance for your help.
